

2020 Nomination Form
For the Lilly Kaighin Memorial Trophy

This is a perpetual trophy in the memory of Lilly Kaighin, who was not only Past President of FWSA, but was also a past member of several of the FWSA member clubs and was a founding member of two of them, the Dinghy Dames and the Luffing Lassies. **This trophy is to be awarded to the person who deserves recognition for exemplifying any of the following qualities through her membership with either the FWSA or any one of the FWSA Member Clubs: leadership, motivation, organization, participation, involvement, good sportsmanship or contribution to the social aspect of sailing.** After all, though Lilly was an accomplished sailor, sailing ability was not the most important aspect of her involvement with the sport of sailing. In fact, the characteristics listed above played a much more important role to her. This perpetual trophy was lovingly started by Lilly's family and was made by her son, Jim. May Lilly's memory and spirit live on through the FWSA for many years to come?
