

SOCIAL REPORT FOR INCOMING CHAIR

Events for social committee include Halloween, Thanksgiving, Ugly Sweater Party, Christmas, Valentine's Day, St Patrick's Day, Easter, July 4th, Summer Pool Party, Welcome Back and Annual Meeting

Meet with your social committee a month in advance of each party to decide theme or decorations, entertainment, menu and specialty drinks – We have been holding our meeting on Tuesday afternoons and when possible stay for happy hour

Once your party is planned, contact Shannon in catering to give her your details regarding, menu, drink specials, linens, and any special requests like dance floor, speakers for music, stage for entertainers, etc. She will work up a contract with the details and pricing for the event - She has also been doing our parties for YEARS so is very knowledgeable regarding table set up requirements etc for each party

You can promote your party in a few different ways - Speak at the salty lunches on Wednesdays to get the word out and talk about the details like what to wear, what the theme is, is there a contest for Easter bonnets - You can also create an invitation for each event, send it to Angela K and current captain for review and they will blast out via email

Get a copy of your budget for each party - The big budget parties are Halloween, Christmas, and Welcome Back where you can add some extra fun décor, games, entertainment – It's always fun to have a photo op area as salty's love to get their group together for photos - Other parties are low budget with minimal décor and special menu options like Thanksgiving, Valentine's Day, St Patrick's Day, etc

Once the party is over, you can submit an expense form with your receipts to the treasurer for payment - This form can be found on the salty sister website – members only – forms – reimbursement request – print out a bunch of copies for the year so you have them

Salty's have a storage facility out west where a lot of items are stored that can be reused for our parties - Directions to storage unit - Tyrone Blvd N – Bay Pines Blvd – Turn right onto 95th Street N (Wawa is at the corner) Go one block and turn left on 47th Avenue N / 96th St N – Go to the dead end and turn left into storage facility - Someone will go out with you the first time to show you where the facility is and give you an access key - This is a free storage unit provided and shared by Carol Crawford

There is also a Salty Tool Box that will be handed over including some of the items you will need for decorating - tape, lights, scissors, glue, fishing line, etc - comes in handy

We had a fantastic energetic committee and hope you do also - These ladies are a wealth of knowledge!! We will be happy to answer any questions you have! Salty's love their parties and love to have fun!!
